  2. God will always give you the **best**
  3. God has a **plan** for your life
  4. God **knows** what will happen to you tomorrow
  5. God knows that you have **fear** and **anxiety**
  6. God **strengthens** you in your weakest moments

## Twelve Biblical **Truths** Every Cancer Patient Should Know

7. God has already purchased your **body** for Himself
8. God will never allow anything to separate us from His **love**
9. God wants you to **trust** Him wholeheartedly
10. God will **complete** what He has started in you
11. God has given you **eternal life** on earth
12. God will eventually take away all your **tears** and **pain**

## 1. God is not for **premature** death

Your eyes saw my unformed body; all the days ordained for me were written in your book before one of them came to be.  
**Psalm 139:16**

God knows your life span on earth. It is recorded in His book before you were born.

As long as you are living in the Will of God, there is no premature death.

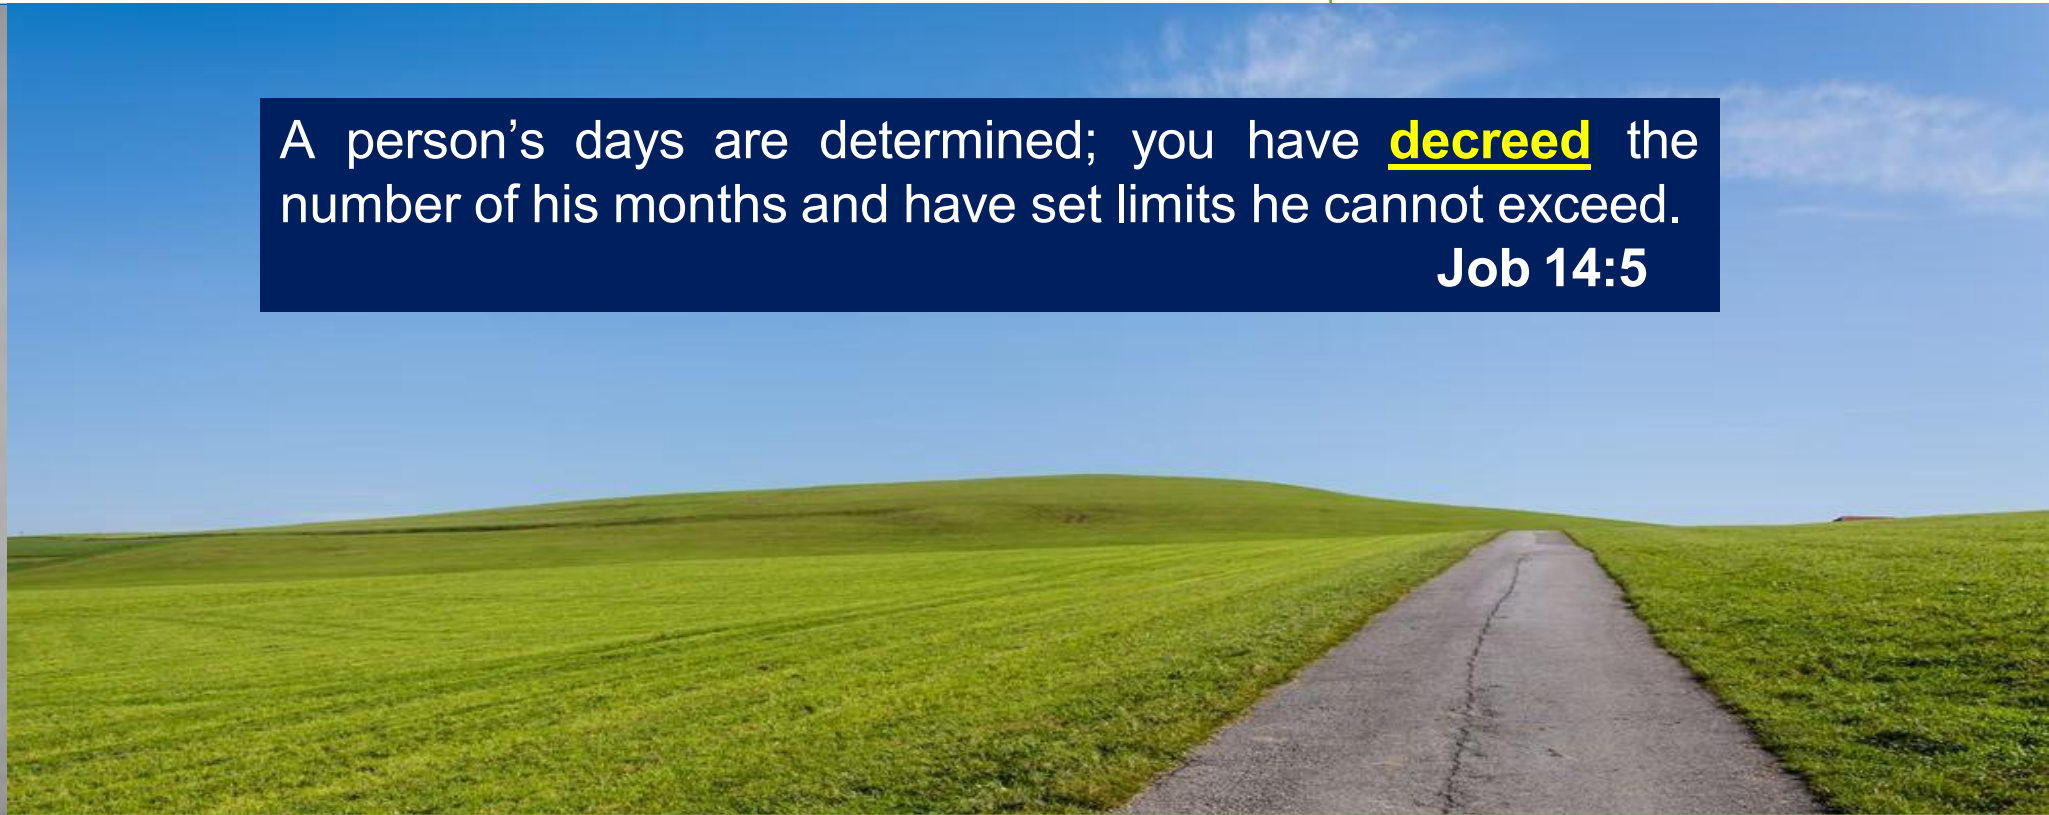

The safest place on earth is for you to live in the Will of God for our life.

## 1. God is not for **premature** death

A person's days are determined; you have **decreed** the number of his months and have set limits he cannot exceed.  
**Job 14:5**

Your confidence is that God knows you personally, and gives you the best, even for the actual number of days you should be living on earth.

## 2. God will always give you the **best**

He who did not spare his own Son, but gave him up for us all—how will he not also, along with him, graciously give us all things?

**Romans 8:32**

Once you let this truth sink into your heart in that God has already given you the best gift a human can have, that is Jesus Christ, the rest will also be given to you according to His perfect will for you.

## 2. God will always give you the **best**

And my God will supply every need of yours according to his riches in glory in Christ Jesus.

**Philippians 4:19**

You have because God has given you. If you don't have, either you don't need to have it now or you will have it according to His perfect timing. This takes trust - a childlike trust in God believing He will always give us the best, despite the ups and downs of your cancer journey.

### 3. God has a **plan** for your life

You don't go straight to Heaven when you received your salvation.

You are saved and called to do good works. God prepared your portion – the work He wants you to complete, even as a cancer patient.

Peace comes into your heart when you see yourself as God's handiwork created with a purpose for His glory.

For we are God's handiwork, created in Christ Jesus to do **good works**, which God prepared in advance for us to do.

**Ephesians 2:10**

### 3. God has a **plan** for your life

For I know the **plans** I have for you,  
declares the Lord, plans to prosper  
you and not to harm you, plans to  
give you hope and a future.

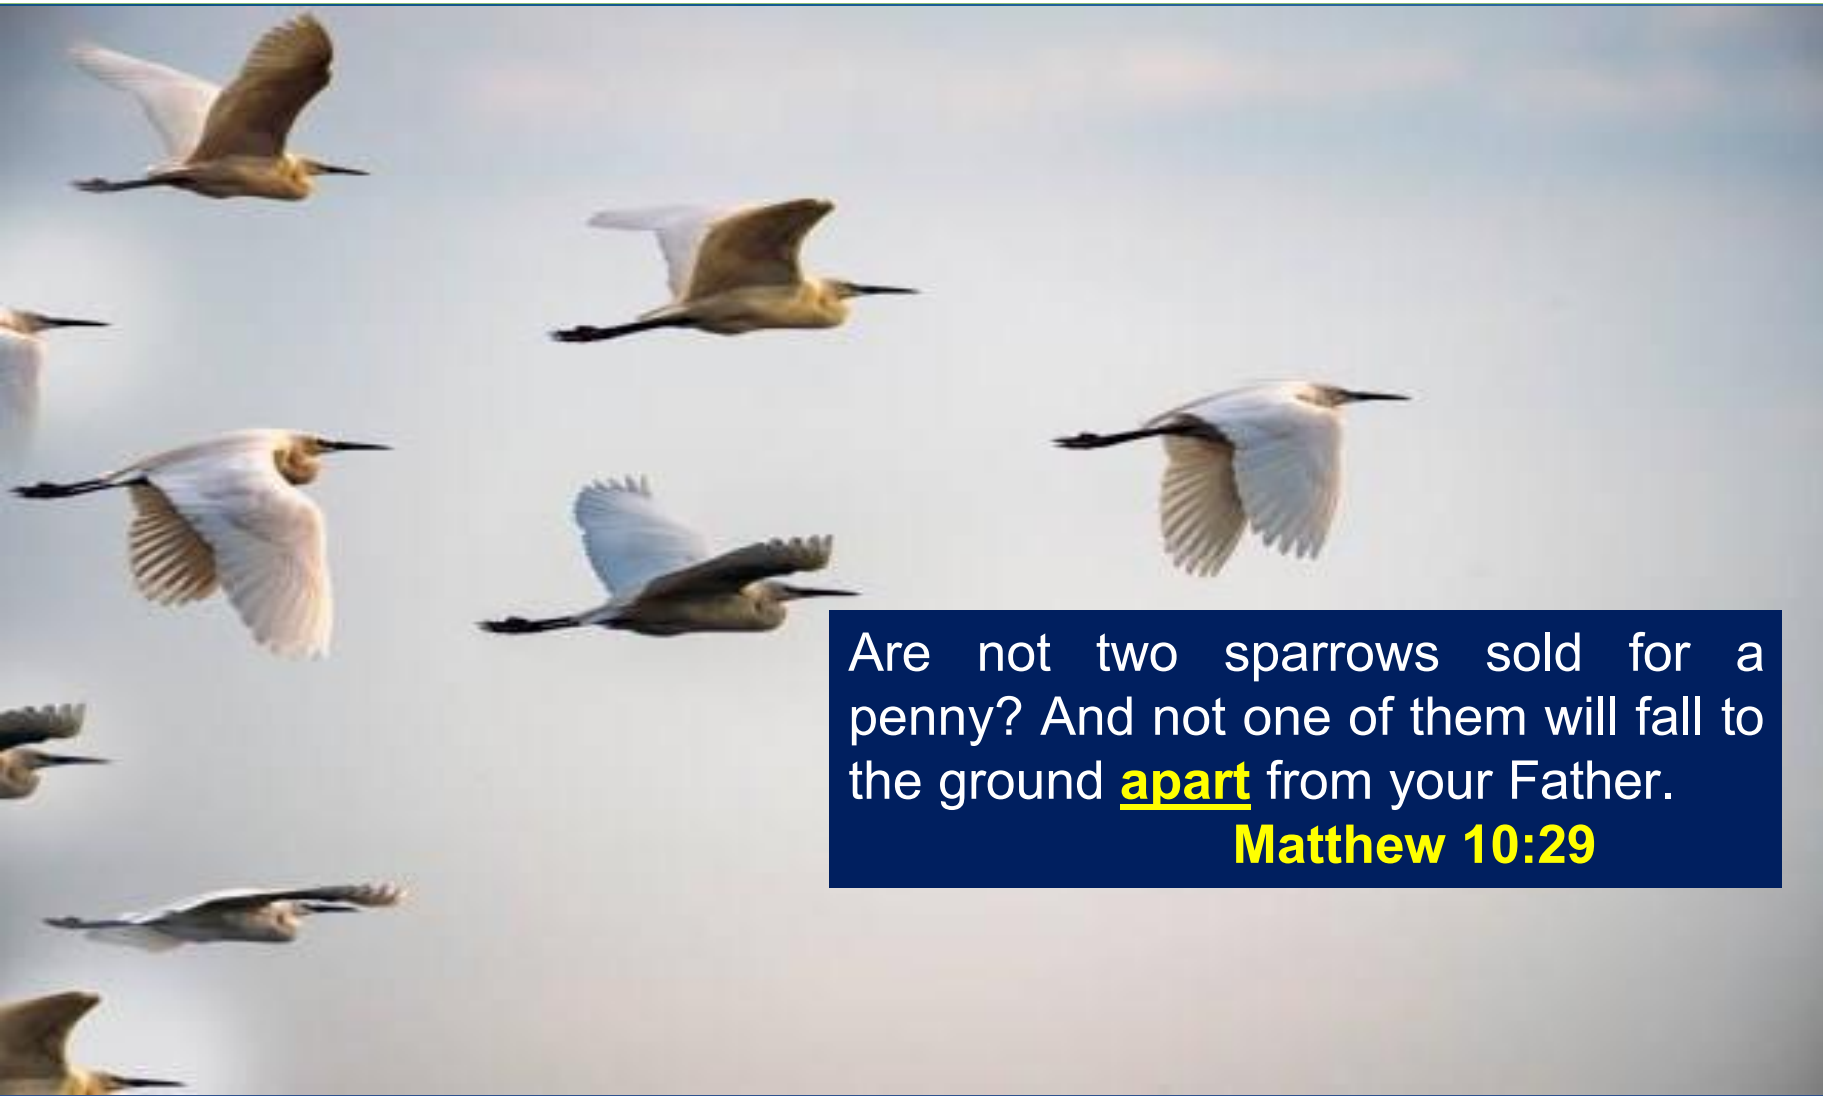

Jeremiah 29:11

Our Heavenly Father  
desires His children to  
have healthy body.

God knows what we  
need for tomorrow, next  
week or month.

He does have a plan for  
you in sickness or in  
health. You just need to  
cling on to Him.

#### 4. God **knows** what will happen to you tomorrow

Are not two sparrows sold for a penny? And not one of them will fall to the ground **apart** from your Father.  
**Matthew 10:29**

God knows the results of your pet scan, MRI, CT scan and blood tests before your doctor sees them.

As you trust God that He will take care of you, we need not be anxious and learn to cast our worries and concerns to Him.

## 4. God **knows** what will happen to you tomorrow

Even before a word is on my  
tongue, behold, O LORD, you  
know it altogether.

**Psalms 139:4**

The cancer journey is a difficult and arduous one. Each time you place your hope in God who already knows everything about tomorrow, you draw strength by believing God will always give you the best in His timing.

## 5. God **knows** that you have fears and anxieties

Fear is real. It can paralyse you making you feel helpless and even hopeless.

You can learn to overcome feelings of fear and anxiety by reminding yourself that God is “holding” your right hand in each step of the cancer journey.

For I, the LORD your God, hold your right hand; it is I who say to you, “**Fear** not, I am the one who helps you.”  
**Isaiah 41:13**

## 5. God **knows** that you have fears and anxieties

Do not be **anxious** about anything,  
but in every situation, by prayer  
and petition, with thanksgiving,  
present your requests to God.

**Philippians 4:6**

God's way to calm your  
mind and quieten your  
heart is through a quiet  
prayer to Him.

He listens to every  
heartfelt desire for  
help. His mercy and  
goodness enable you  
to trust Him.

## 6. God **strengthens** you in your weakest moments

And there appeared to him an angel from heaven, strengthening him. And being in agony he prayed more earnestly; and his sweat became like great drops of blood falling down to the ground. **Luke 22:43-44**

If Jesus needs an angel to strengthen Him, God surely knows when you cannot bear it any longer.

God will strengthen you for He knows your weakest moments during the cancer journey.

## 6. God **strengthens** you in your weakest moments

So do not fear, for I am with you; do not be dismayed, for I am your God. I will **strengthen** you and help you; I will uphold you with my righteous right hand.

**Isaiah 41:10**

We need God every step of the cancer journey. However we need Him most when the side effects seem unbearable or the cancer treatment keeps interrupted due to our weak body condition.

It is during this crucial moment that we can find God especially close to us if we keep looking to Jesus for His grace.

## 7. God has already **purchased** your body for Himself

Or do you not know that your body is a temple of the Holy Spirit within you, whom you have from God? You are not your own, for you were **bought** with a price. So glorify God in your body.

**1 Corinthians 6:19-20**

When our body looks sick, feeble and weak, it is still belonged to God. God knows how broken we are, but He will sustain our spirit. We just let God take care of our body.

## 8. God will never allow anything to **separate** us from His love

God is love, and the nature of His love is divine and eternal. God is with you and in you.

Therefore you have this assurance that nothing indeed is able to take God or His love from you. God lives in your heart.

No, in all these things we are more than conquerors through him who loved us. For I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, nor height nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.

**Romans 8:37-39**

## 9. God **values** the life He gives us

Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more **valuable** than they?

**Matthew 6:26**

The value of your life is precious and priceless. It cost the blood of Jesus to purchase your body.

We can take heart in that this is how much God values human life – the body, soul and spirit.

## 10. God will complete what He has started in you

And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ.

### Philippians 1:6

God's timing is perfect for the completion for your cancer journey. He knows the limit to what we can bear, and will always provide a way out to sustain and strengthen you. He will carry you to the end of life journey.

## 11. God has given you eternal life on earth

Jesus said to her, “I am the resurrection and the life. Whoever **believes** in me, though he die, yet shall he **live**, and everyone who lives and believes in me shall never die. Do you believe this?”

**John 11:25-26**

Eternal life is life with God. You have eternal life the moment Christ comes into your heart and you are now born again. Having cancer does not rob you of eternal life. Eventually you will have an immortal body to be with God forever.

## **12. God will eventually take away all your tears and pain**

He will wipe away every tear from their eyes, and death shall be no more, neither shall there be mourning, nor crying, nor pain anymore, for the former things have passed away.”

**Revelation 21:4**

Life on earth is only temporal. Your eternal home is Heaven. Cancer journey will end. God has a purpose for you to go through this journey. He journeys with you because He and His love can never separate from you.
