A lit candle on the left and a pair of hands clasped in prayer on the right, set against a dark, warm background. The candle's flame is bright and steady, casting a warm glow. The hands are positioned in a traditional prayer gesture, with fingers interlaced. The overall mood is one of quiet reflection and faith.

Prayer Of Confidence

Dear Lord Jesus, take care of me. Sometimes there is still fear of losing everything even my life. At times, I still think perhaps something is still not right in me. My prayer seems to lack sincerity and consistency. Help me Lord to truly believe that you are **watching** over me.

You do **care** and **provide** for me. Let my fear turn into faith in you. I know I shall lack nothing as long as I give you everything and **believe** that I truly **belong** to you. You will always give me the best to enable me to be like you. I pray that I may experience your **grace** and **mercy** daily. In Jesus' name I pray. Amen

Prayer Of Confidence

Hebrews 4:16

Let us then approach God's throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need.

Prayer of Comfort

Heavenly Father, I ask for your grace and strength to **carry** me through this difficult patch. This cancer treatment is making me lose hope, feel lousy and helpless. My body is weak now, so is my heart. I do not have the strength to press on, and am not able to cast my burden unto you.

Father, help me to **rest** in you. Strengthen me. Lift me up. Let me be close to you. **Soothe** the pain in my body and **calm** my mind. Let me feel your abiding presence. I long to **fully rest** in your presence. **Comfort** me. **Help** me and I pray in the name of Jesus. Amen.

Prayer of Comfort

Matthew 11:28-30

Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light.”

Prayer of Faith

Heavenly Father, I desire to live in your perfect will for my life. Every waking hour and with every breath I have, may I be grateful for my life, and more so, for eternal life you have already given me to live with you forever. I want to ride through this cancer storm by your grace.

I also desire to **walk by faith** and I shall not be afraid of death. You already know what will happen tomorrow, and I want my life to end up pleasing you, **believing** you and faithful to you when I breathe my last. Help me to remain in your plan and purpose throughout the remaining years of my life on earth. I **trust** in your unfailing love towards me. In Jesus' name I pray. Amen.

Prayer of Faith

Proverb 3:5-6

Trust in the Lord with all your heart and lean not on your own understanding;
in all your ways submit to him, and **he will** make your paths straight.

Prayer of Hope

Dear Lord Jesus, help me to handle situation that seems bleak and gloomy now. It is like a cloud of darkness hovering over me every day. I don't feel like praying to you or reading the Bible. How can I have a **breakthrough** for I am afraid even to see my doctor to hear my medical test reports. Search my heart and let me yield everything to you.

Lord, help me to know what is going on and hold my hand. I do not want to fall. I need you. **Renew** and **refresh** my failing heart. Lord, you know everything about me. Let me **hope** in you. Give me a glimpse of things to come to **assure** me that everything will be alright. I know you are always in control and know how the end of my journey will be. **My hope is in you** and you alone. In Jesus' name I pray. Amen.

Prayer of Hope

Hebrews 10:22-23

Let us draw near to God with a sincere heart and with the full **assurance** that faith brings, having our hearts sprinkled to cleanse us from a guilty conscience and having our bodies washed with pure water. Let us hold unswervingly to the **hope** we profess, for he who promised is **faithful**.

Prayer of Assurance

Heavenly Father, I am not sure how long am I going to bear the various side effects in my body. Also, my mind is restless whether it is day time or at night. My confidence even to live is very low. Father, I do have doubt that I may not make it. Sometimes, there is sadness in my heart and I grieve over why my life seems to be without meaning and purpose now.

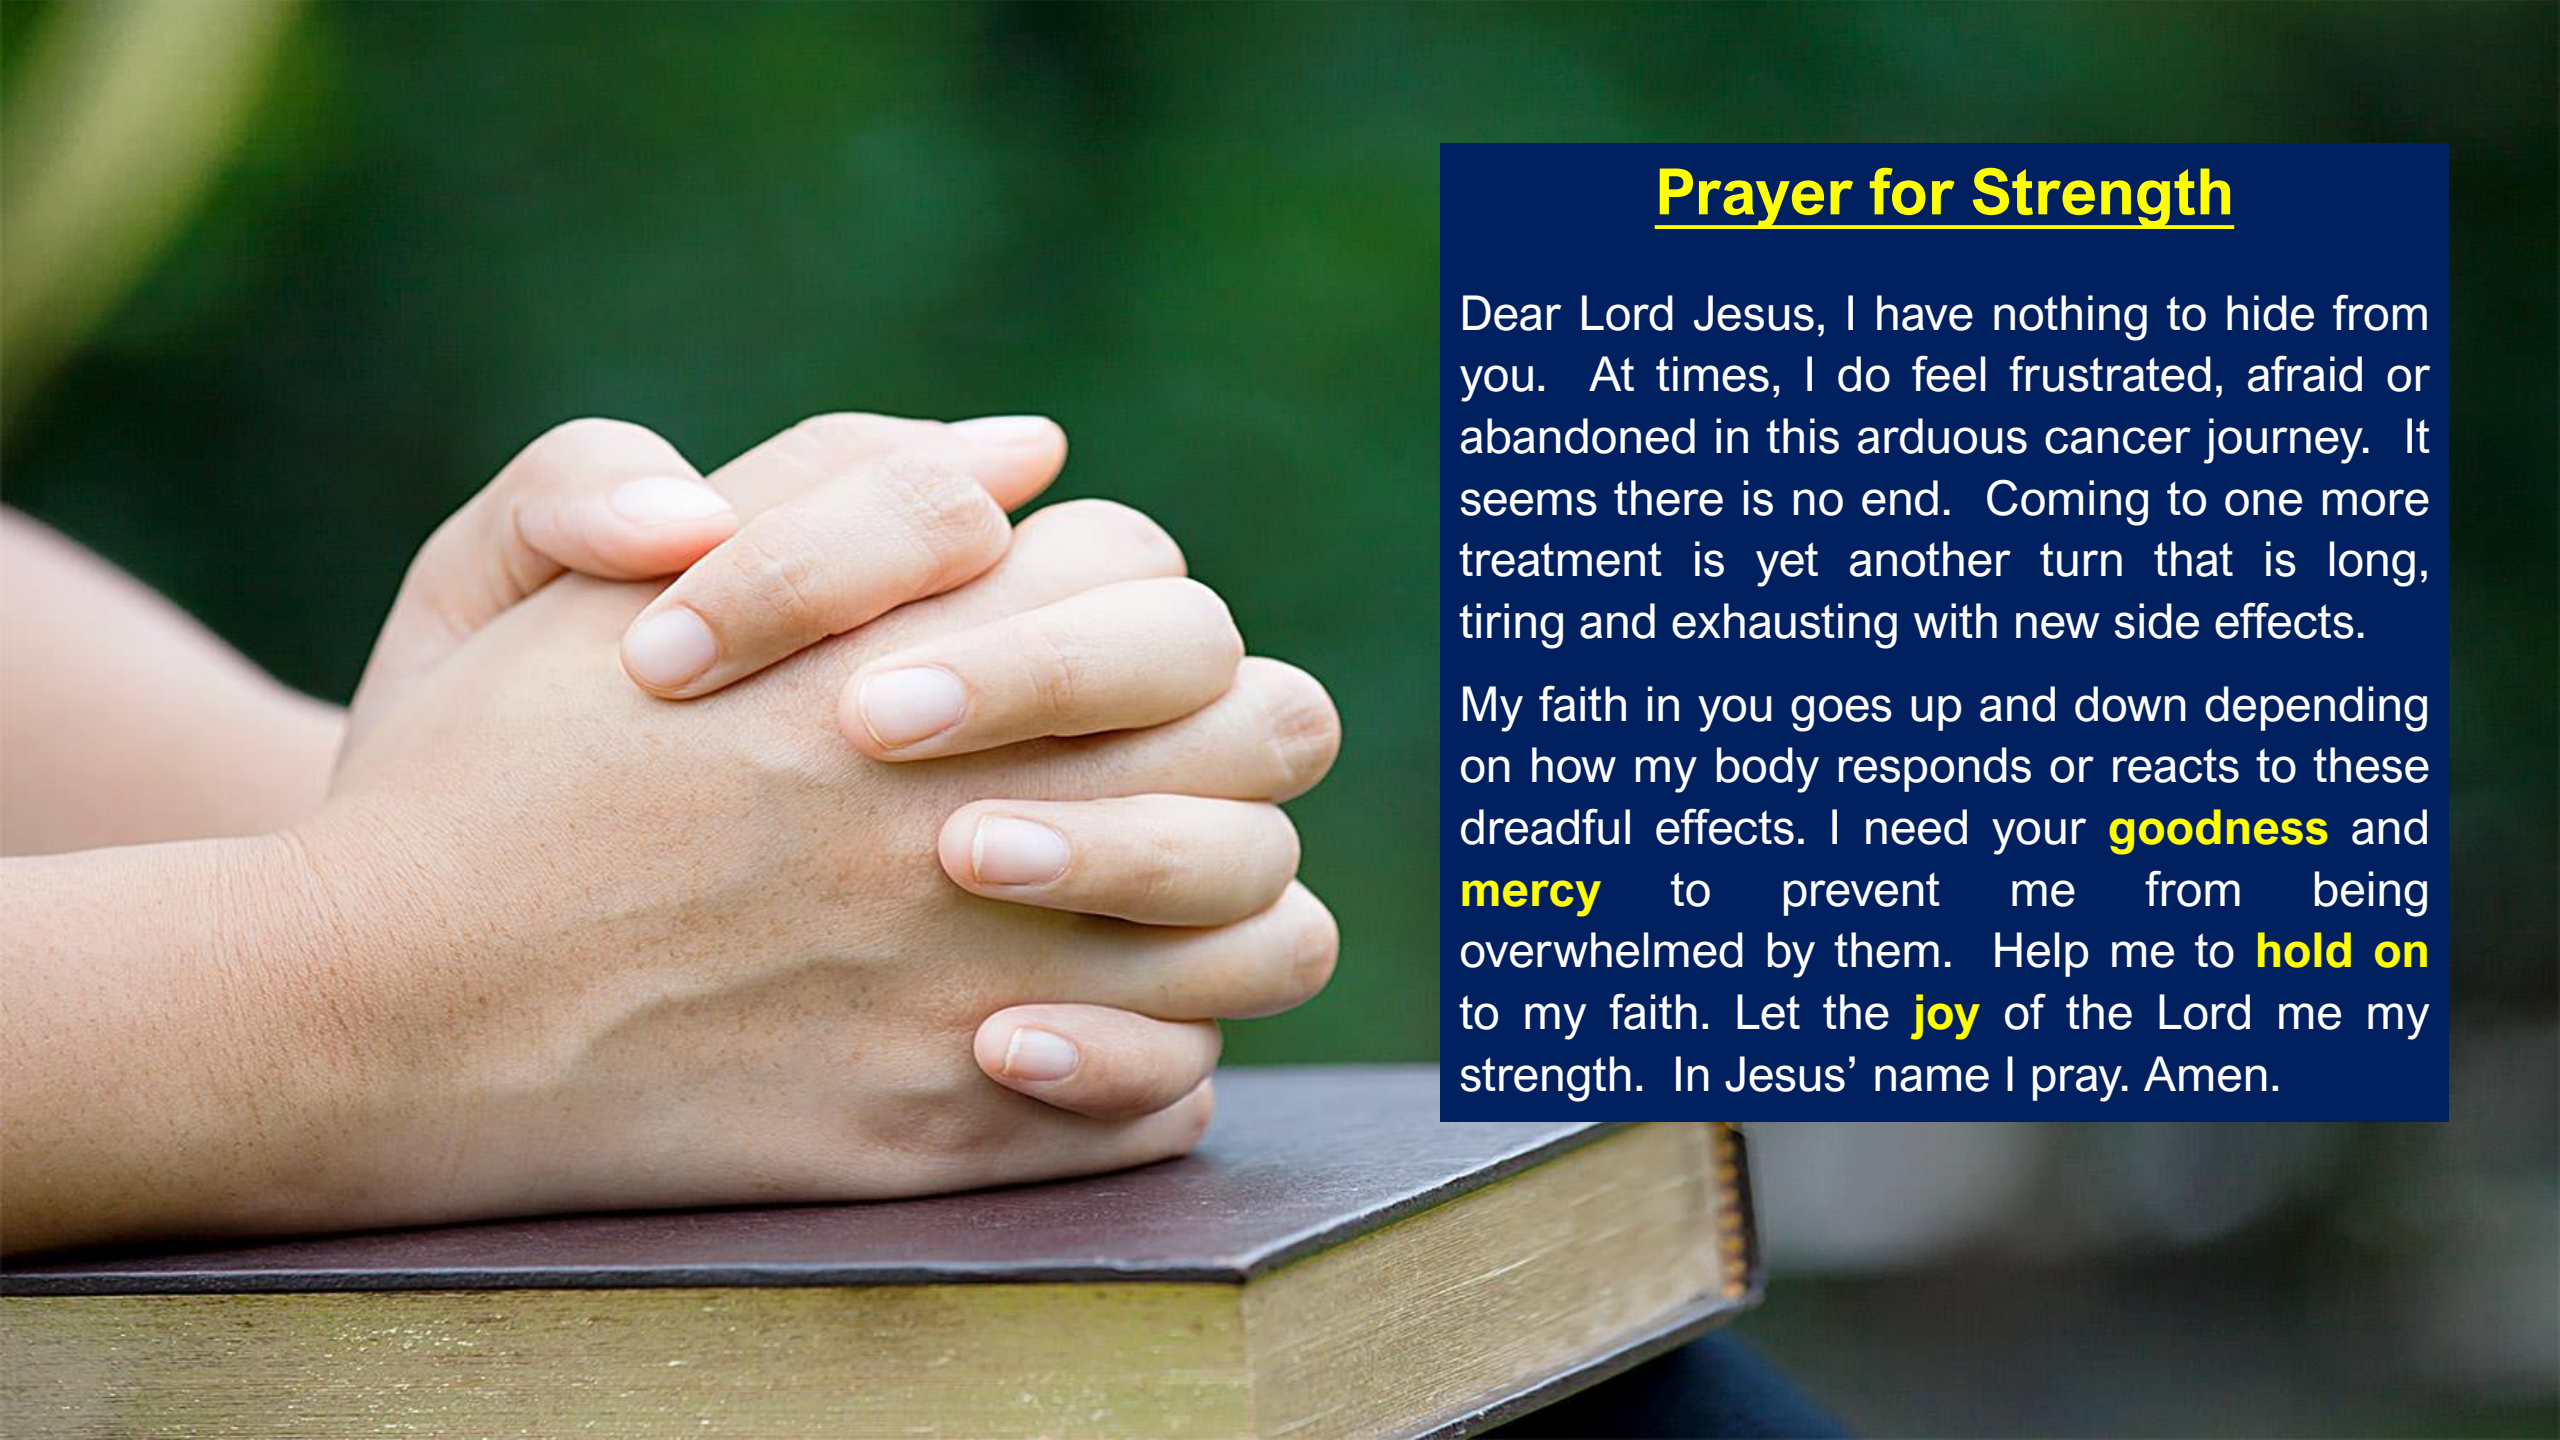

I am thinking whether am I having regrets for doing or not doing something. I still want to look to you and **trust** you. I know that my home is in **Heaven** with you. Father, please **sustain** me and **strengthen** me. Grant me the **assurance** that your love for me will never change. You will never leave me nor forsake me. In Jesus' name I pray. Amen.

A low-angle shot of a dense cluster of bright red roses. The roses are in various stages of bloom, with some fully open and others as buds. The green leaves of the rose bush are visible, some showing signs of being eaten by insects. The background is a clear blue sky with scattered white clouds. The overall mood is bright and uplifting.

Prayer of Assurance

Romans 8:38-39

For I am **convinced** that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to **separate** us from the **love** of God that is in Christ Jesus our Lord.

Prayer for Strength

Dear Lord Jesus, I have nothing to hide from you. At times, I do feel frustrated, afraid or abandoned in this arduous cancer journey. It seems there is no end. Coming to one more treatment is yet another turn that is long, tiring and exhausting with new side effects.

My faith in you goes up and down depending on how my body responds or reacts to these dreadful effects. I need your **goodness** and **mercy** to prevent me from being overwhelmed by them. Help me to **hold on** to my faith. Let the **joy** of the Lord be my strength. In Jesus' name I pray. Amen.

Prayer for Strength

Psalm 23:1-4

The Lord is my **shepherd**, I lack nothing. He makes me **lie down** in green pastures, he leads me beside quiet waters, he **refreshes** my soul. He guides me along the right paths for his name's sake. Even though I walk through the darkest valley, I will fear no evil, for **you are with me**; your rod and your staff, they **comfort** me.

Healing Prayers II

Heart-To-Heart Talk With God

By Pastor Robin Png

Prayer For A Breakthrough

Dear Heavenly Father, I am too **tired** to undergo another new treatment. Doctor confirmed that the current chemo drug no longer works for me. Father, help me understand your **purpose** for me to go through another round of treatment with a new chemo drug.

Father, my body is exhausted. You know my **limitation** and the level of pain to which I can bear. I ask that you **refresh** my spirit and restore my confidence.

Let the pain in my body be minimized and make it manageable for me. Let me sleep more hours every night, and my appetite be improved. Let me experience a **breakthrough**. Restore my heart and heal my body. I **surrender** everything to you. I trust you Father God for my **hope** is in you. In Jesus' name I pray. Amen.

Prayer For A Breakthrough

Psalm 91:14-16

Because he **holds** fast to me in love, I will **deliver** him; I will **protect** him, because he **knows** my name. When he **calls** to me, I will **answer** him; I will be with him in trouble; I will **rescue** him and honor him. With long life I will satisfy him and **show** him my salvation.

Prayer to Overcome Anxiety

Dear Heavenly Father, my faith is not strong to **withstand** these side-effects of giddiness and pain in my body. I am **unstable** when I walk because I feel dizzy. The morphine patch does help to **relieve** the increasing pain on my chest and back. Will I be putting this permanently?

Although I find some relief when I lie on the bed, this lingering thought that the **worst** is coming has instilled **fear** in my heart. I know that you will never leave me nor forsake me, but I am still bothered by the many **“what ifs”**. Father, help me not to **overthink**.

Protect me from being overwhelmed by my **anxious** thoughts. When I am alone, I get anxious. Help me to stay **calm** and to put my **confidence** in you like I used to do. In Jesus' name I pray. Amen.

Prayer to Overcome Anxiety

Philippians 4:6-7

Do not be anxious about anything, but in everything by **prayer** and supplication with thanksgiving let your **requests** be made known to God. And the peace of God, which surpasses all understanding, will **guard** your **hearts** and your **minds** in Christ Jesus.

Prayer to Overcome Fear

Dear Heavenly Father, there is **fear** in me. The present medical reports showed that my MRI and PET scans confirmed my cancer has **metastasized** to my lymph nodes and liver. Am I going to die?

Many thoughts flashed through my mind. I feel **helpless** now. I am not prepared to hear this news. What should I do now? I have **confessed** every known **sin** and my **regrets** too. Is there something I still need to confess or have to do before it is too late?

Father, **hold** my hand and be with me. **Fill** my heart with your divine **peace**. I know everything will be alright, as long as I have **nothing** to hide. I know you are in **control**. I shall keep **leaning** on you and stay close to you. **Help** me Lord. In Jesus' name I pray. Amen.

The background is a warm, golden-yellow gradient, suggesting a bright, divine light. The lighting is soft, highlighting the texture of the skin and the fabric of the robe.

Prayer to Overcome Fear

Isaiah 41:10

Fear not, for I am **with you**; be not dismayed, for I am your **God**; I will **strengthen** you, I will **help** you, I will **uphold** you with my righteous right hand.

Prayer to Persevere

Dear Lord Jesus, my **wound** still bleeds and am feeling **breathless**. It is already three weeks after the operation. My body is not the **same** anymore. I ask for divine **strength** to ride through this difficult patch of my journey.

Lord, I am not afraid of **death** for you have **forgiven** me and I will be in your presence when my earthly life ends. Help me to have a **stable** moods to manage the different scans, numerous blood tests and physio sessions.

I am more aware of my **feelings** of frustration and sadness when I don't seem to see any light at the end of the tunnel. Help me to **persevere** and remain **steadfast**. Let my body and mind be **sustained** by your faithfulness and goodness towards me. In Jesus' name I pray. Amen.

Prayer to Persevere

And after you have suffered a little while, the God of all grace, who has **called** you to his eternal glory in Christ, will himself **restore, confirm, strengthen**, and **establish** you.

Prayer For Peace

Dear Lord Jesus, I have no more **treatment** option. Doctor told me that I am unable to do immunotherapy. You know that I might have to go to the **hospice** for palliative care.

Lord Jesus, there is still some lingering **fear** in me. Let me feel your **presence** and experience your **peace** in my heart. I trust in your perfect **timing** when the time comes for me to go home. My **confidence** is in you alone.

You are my **strength** and **refuge**. I shall stay **close** to you and remain steadfast in you. Lord Jesus, take **care** of me and **carry** me throughout this cancer journey. I pray and ask in the your blessed and holy name. Amen.

Prayer For Peace

Whom have I in **heaven** but you? And there is nothing on earth that I desire besides you. My flesh and my heart may fail, but **God** is the **strength** of my heart and my **portion** forever.

Prayer For Guidance

Dear Heavenly Father, this has been a long journey for me. I feel like **giving** up. I do not have anything to look forward. Is it your **will** for me to take the new chemo drug in this clinical **trial** as suggested by the doctor?

I **worry** that I may not be able to manage the side-effects. Do you want my body to go through this unproven treatment? I have many doubts and worries that makes me **anxious** and **fearful**.

Father, grant me **clarity** of mind and **peace** in my heart to overcome any **confusion**. **Guide** me to make the right decision. **Protect** me from any harm or danger. Make known the step I should take that I may I always live in your perfect **Will** for me as a cancer patient. In Jesus' name I ask and pray. Amen.
